A MESSAGE FROM THE EDITOR

as our school year comes to a close, we pause to look back upon our friends and the happiness we have shared. this year has been one filled with many experiences which we shall never forget. the joys, the sorrows, the fun, and the hard work are all parts of our memories.

in later years, while turning these pages, when you recall the many smiles, sorrows, and dreams of '73, we shall be content, knowing that we have done the thing we were called upon to do.

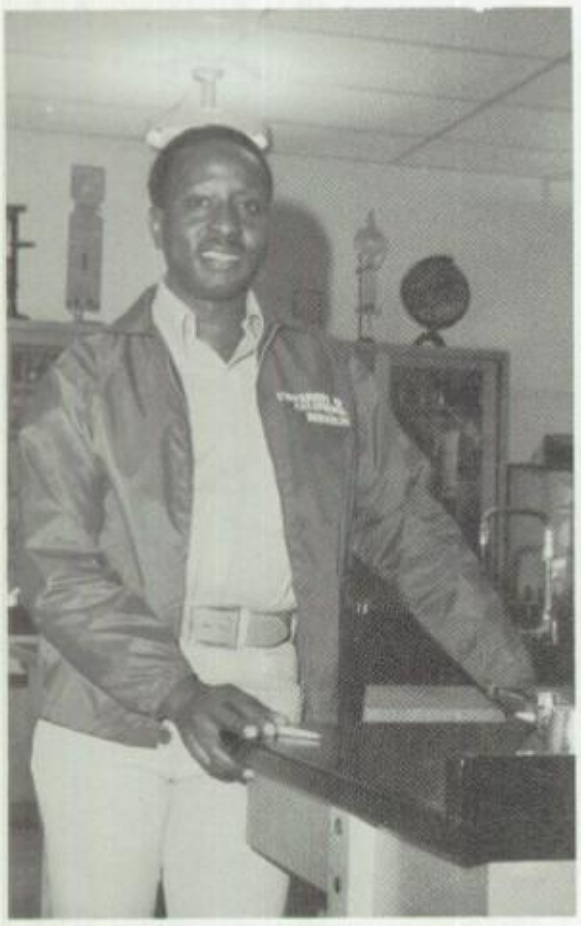
T.H.S. TEACHER'S HALL OF FAME

this past year we began a new tradition at t.h.s. we elected, by popular vote of the high school student body, a teacher's hall of fame. these six teachers were chosen from the faculty of the last four years on the basis of their popularity with the students.

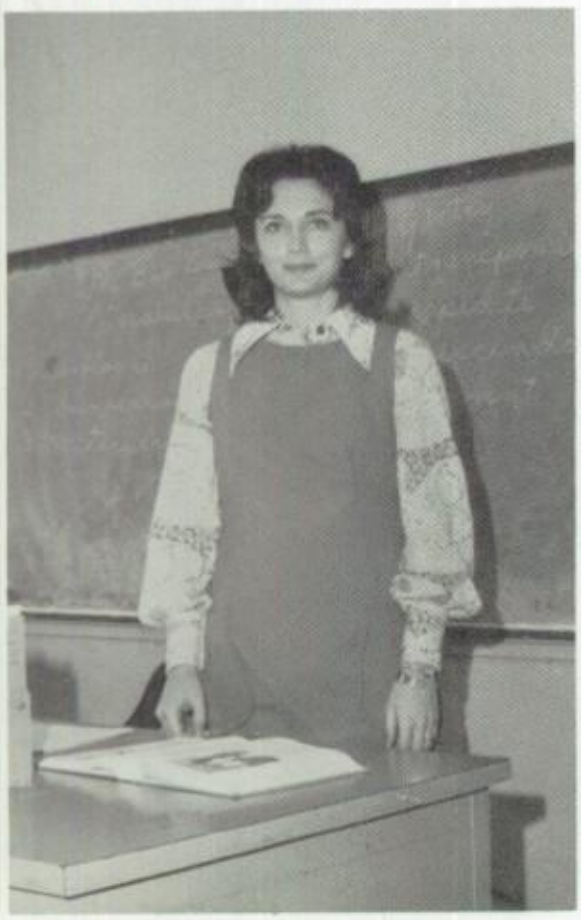


mr. robert washington, highly esteemed by the student body, teaches science and is sponsor of the science club.

the student body regrets that mrs. floy mae richards retired in may, 1972, after years of dedicated teaching of english, drama and speech.

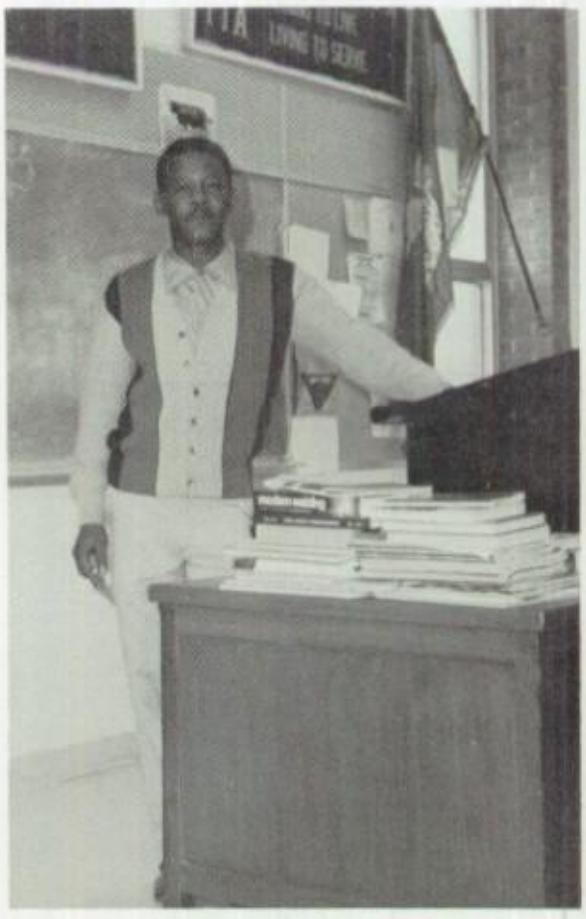
mrs. bonnie hilburn has taught social studies in our school for the past two years. in this short time she has earned the respect of the student body.

mrs. judy bishop has been here for one semester. she replaced mrs. carol stevenson at mid-term and teaches english and math.



mrs. carol stevenson resigned at midterm to help with a private business. she taught english and bookkeeping.

mr. maud frazier, agriculture teacher, is a good example of the f.f.a. motto - learning to do, doing to learn, earning to live, living to serve.



IN MEMORY

STEVE SMITH

JERRY McFARLAND

during the fall of 1972, these two young men lost their lives in separate, tragic automobile accidents. their deaths were a shock to their families and their many friends at t.h.s. they will not be soon forgotten.

takin' it easy!

mr. holt's only loyal fans!

interests, suspense, and dejection!

can't you wait until halftime rusty?

whose paper are you copying?

joe's snowmobile.

mike, the bell rang!

does the sun hurt your eyes?

seniors must play.

been sniffing gas again, billy?

encouragement from the bench.

who's the boss?
